### SUMMARY

---

Full Stack Engineer specializing in **scalable web applications, AI-driven solutions, and workflow automation**. Expertise in **frontend and backend development, UI/UX, and product development**. Passionate about **technology, innovation, and continuous learning**.

### PROFESSIONAL EXPERIENCE

---

#### CleverFlow

Dubai, UAE

Product Engineer

Sep 2024 – Present

- Leading **Beem Card** development across frontend & backend, building a **scalable smart card platform** for digital networking.
- Led **product management for Artifacts**, creating a centralized platform to enhance communication, improving operational efficiency by **30%**.

Front-End Engineering Intern

Mar 2024 – Sep 2024

- Developed **CRM-integrated invoices, ad templates, and documents**, enabling one-click generation and reducing manual effort by **70%**.
- Led **UI/UX design efforts**, creating branding elements, custom layouts, and interactive features, enhancing user engagement and **visual appeal**.

### PROJECTS

---

#### MTask

- Developed an **innovative web-based task management platform** to streamline productivity for individuals and teams.
- Implemented **task analytics** with visual insights by status, category, and due date, improving tracking efficiency by **60%**.

#### MsyncAI

- Built a **lightning-fast AI-powered website generator** that produces clean HTML, CSS, and JavaScript code, with instant live previews and downloadable project files.
- Automated **code regeneration** to accelerate website creation, reducing development time by **40%**.

#### MxStream

- Engineered the **backend** for a **scalable multimedia platform** inspired by **YouTube and Twitter**.

### TECHNICAL SKILLS

---

- **Core Skills:** DBMS, OOPS, DSA, SDLC, REST API.
- **Programming Languages:** TypeScript, JavaScript, Python, C++, SQL, HTML, CSS.
- **Databases:** PostgreSQL, MongoDB, Firebase, MySQL, Redis.
- **Libraries and Frameworks:** React.js, Redux, Next.js, Node.js, Express.js, Tailwind, Django.
- **Tools:** VS Code, Git, GitHub, Postman, Docker, Figma, Canva, Framer, Vercel, BuildBox.
- **Soft Skills:** Leadership, Teamwork, Adaptability, Creativity, Attention to Detail, Problem-Solving.

### EDUCATION

---

#### ITM SLS UNIVERSITY

Vadodara, Gujarat

**B.Tech Computer Science: Artificial Intelligence & Data Science**

2022 - 2026

CGPA: 8.79

**Relevant Coursework:** Web Development, Software Engineering, Operating Systems, Algorithms, Artificial Intelligence, Machine Learning, Data Science.
